

Dear MCLB Barstow Team,

This fall, the Combined Federal Campaign (CFC) returns to help those in need around the world. Now more than ever, organizations need people like you to support their cause: human rights, disaster relief, animal treatment, healthcare, education, and hundreds of others. What issues resonate with you? Don't worry: it's not time to donate or volunteer just yet! You still have a few days to find the right cause that speaks to your heart.

Not sure where to look to find a cause? The CFC has thousands of charitable organizations listed in the catalog or the online charity search-take a look at what the CFC does, and see how you can Show Some Love this fall at <https://cfcgiving.opm.gov/welcome>. It's because of donations and volunteers that tutoring a child for a whole year to read and write-with just a \$50 gift-is possible. The opportunities are endless, and everyone wins when you give.

We are excited to bring you a renewed campaign full of opportunity for you to make an impact in your community, country, and the world. The 2018 CFC features several enhancements that make giving easier than ever. The online pledge portal now allows donors to make more than one gift per account. Federal employees can also pledge monetary donations and volunteer hours on the same pledge. An expanded office/unit list will help donors find their correct office/unit. The unit identification code for MCLB Barstow is N62204 (L393NM). The CFC is also brewing some great events coming your way this giving season! Stay tuned for more information in the coming weeks.

Thanks for your support!
