Sexual Assault Prevention and Response

April is Sexual Assault Awareness Month

Wear Jeans to Work!

*In support of the SAPR Program as a visible means of protest
against misconceptions surrounding sexual assault.*

When you participate in Denim Day you:

1. Make it possible for more sexual assault survivors to reach out and find help.
2. Promote prevention through education so sexual violence doesn't occur.
3. Encourage institutional and societal change.
4. Make a powerful statement without ever saying a word.

We invite everyone on MCLB Barstow to join the SAPR Program in raising awareness about sexual violence by inviting employees to wear jeans for the day on April 17th 2019. Those who are wearing their jeans this day can come get a FREE SAPR lapel pin from the SAPR programs Installation SARC during the Easter Fest at McTureous Hall which starts at 1500 to further show support.
